

## **AIM HIGH: SOARING WITH THE TUSKEGEE AIRMEN**

### **SUMMER 2026**

AIM HIGH: Soaring with the Tuskegee Airmen is a new traveling exhibit that explores multiple aspects of aviation, from the rich history of the Tuskegee Airmen to 21st STEM concepts. Inspired by the tools and tasks related to flying and aeronautics, the interactive experiences mix real artifacts with hands-on play. Visitors of all ages will be able to imagine themselves in the role of the aviators, inspired by the past and dream of the future.

This exhibit was made by the Children's Museum of Pittsburgh in partnership with Hosanna House and is currently open as part of the Center for Aviation Training and Technology (CATT) at the Sherwood Event Center.
